There is no single day or time
within the life
I've so far lived
that I'd have changed or altered.

Possibly there are some days
I could have missed
and never missed,
but I suspect that I could not
have come down to this place
a different way.

ACTIVITIES

If a man does not keep pace
with his companions,

perhaps it is because he hears
a different drummer.

Let him step to the music
he hears,
however measured or far away.
